

Dear community Members, alumni, pastors, and friends,

The Keith C. Wills Library of the CSBS&C will continue to provide pickup service for all its community members, alumni, pastors, & students from other institutions for the Spring, 2021 (January-May) semester. The building will continue to be restricted to CSBS&C students, staff, and faculty ONLY until further notice. Because we value your patronage to our library, all memberships will automatically extended for the duration of the library closure and any fines you may have accrued will be exempted. If you require any physical books, please browse our online catalogue through our website: <https://library.csbs.ca> and place a hold on the materials you would like to pick up or send an email to library@csbs.ca or Kathy.seidler@csbs.ca and I'll arrange a pickup time with you.

We apologize for the inconvenience. We are doing our best to ensure a safe and healthy environment for our students so they can complete the work God is doing in their lives through their education. We look forward to healthier and sunnier days ahead. We covet your prayers for our students as they continue their studies.

If you have any questions or concerns, please don't hesitate to contact me through email, phone or CHAT on our library website Monday-Friday, 8am-4pm.

Please Note: The library will be closed from Friday, December 18th, 2020 - January 17th, 2021. Please arrange for procurement of library resources before Thursday, December 17th so you can enjoy our resources over the Christmas break.

Thank you for your patience and understanding.

In His service,
Kathy
