

Dear community Members, alumni, pastors, and friends,

The Keith C. Wills Library of the CSBS&C will continue to provide pickup service for all its community members, alumni, pastors, & students from other institutions AND all CSBS&C faculty, staff, and students until June 25, 2021. The library building will be physically closed, but library staff will continue to provide pickup/curbside service through the end of June. In July and most of August, the library will be completely closed and no services will be provided. Because we value your patronage to our library, all memberships will automatically extended for the duration of the library closure and any fines you may have accrued will be exempted.

If you require any physical books during these next few weeks, please browse our online catalogue through our website: <https://library.csbs.ca> and place a hold on the materials you would like to pick up or send an email to library@csbs.ca or Kathy.seidler@csbs.ca and I'll arrange a pickup time with you. Extended circulation time will be granted until the end of August.

If you have any questions or concerns, please do not hesitate to contact me through email, phone or CHAT on our library website Monday-Thursday, 8am-4pm.

Please Note: Our extended hours end May 5th and the library will close physically on Friday, May 7th.

In His service,
Kathy

Director of Library Services
